TERRY GUO,

Dear Terry,

Thank you for your commitment to support the world's children, with your generous donation of \$2810 to UNICEF Canada.

Your support is being directed towards UNICEF's School in a Box. When a crisis strips a community of its education resources, this essential tool can have an immediate impact by helping equip teachers to turn a tent or the shade of a tree into a classroom.

UNICEF staff work day in and day out to reach children with healthcare and vaccines, nutrition, clean water and sanitation, protection, quality education, emergency relief and more. UNICEF has worked tirelessly in times of peace, in conflict, and in emergency so that we can proudly say that UNICEF is there for every child. With your generous support, we can continue to deliver impact today and shape the future for generations to come.

If you have any questions about UNICEF's life-saving work, please contact me at 416 482 6552 ext. 8857 or mpant@unicef.ca.

On behalf of the team at UNICEF Canada, thank you once again for helping to protect children's lives and futures.

Sincerely,

Manu Pant
