Dear Mr. Guo,

Thank you for your generous donation of \$2,810.00.

Amid conflicts, crises and climate change, your support enables UNICEF to be there for children wherever and whenever the need is greatest. Your donation will help us defend their rights and provide life-saving essentials like safe water, medical care, protection, access to nutrition, and the opportunity to learn.

Every time you give, you are helping to change the lives of children. I am grateful to you for helping us build a better world, for every child.

Sincerely,

Sevaun Palvetzian
